### **Buxton & Leek College                      MARKETING, ADMINISTRATION & FINANCE**

**2014-2015**

Over four interim assignments (eight months total), I worked ad-hoc for a college and university, focusing on finance, marketing, and administration. Duties included room audits, raising purchase orders, processing cheques, archiving, invoice reconciliation, and creating marketing materials. I coordinated mailshots, handled proofreading/copywriting, and used mail-merge and Mailchimp for promotions. Additional responsibilities involved phone-based customer service for bookings and general inquiries.

### **V&C Services (Peak & Dales)**

### **ADMINISTRATION, MARKETING, & COACHING**

**2014**

In this vibrant, fast-paced office environment, I worked as a marketing assistant, producing copy for press releases, adverts, scheduling Facebook posts, and coordinating social media. Additional tasks included administration, database maintenance, coordinating various projects, handling confidential information, and helping start a computing assistance service for older people. I frequently and efficiently handled customer enquiries face-to-face and by phone.

## Hotline Signs

## SIGN-MAKER

1998 - 2019\*

At the local sign-makers of which I've worked sporadically for many years, the trade involves graphic design, proofreading, typography, and vector graphics, whilst acquiring requirements either verbally or by working to design briefs from customers. Handling and modeling various substrates, I then install signs, and apply printed vinyl to large surface areas, of which many examples can be seen around Buxton town. It also involved woodworking/carpentry and the use of various power tools. Most recent jobs I did there included networking various financial systems and processing invoices.

## The DAIN project
